

525 SPORTSMAN FT

GREAT ALL ROUND FAMILY AND FISHING FRIENDLY BOAT

The Stessl Sportsman runabouts are a perfect all rounder. Easy to drive with a familiar helm position tucked behind a windscreen the Sportsman runabout can be set up as a comfortable fishing platform for those winter days with a couple of rods hanging out the back chasing whiting or loaded up with a picnic basket for a day out with the family. There is plenty of space for all your water sports equipment like tackle boxes, skis, knee boards and tubes and the Sportsman runabout with its reverse chine hull rides well and is stable at rest. Available with a range of options to customise it to suit your needs – see your local dealer for more information.
