

525 WARRIOR SC

AT HOME IN INSHORE AND CLOSE OFFSHORE WATERS

A full height motor well, live bait tank and large casting decks front and rear make this a perfect boat to nip out the front and target your favourite species or cruise quietly up a creek looking for bass. The high freeboard and beamy reverse chine hull handle chop with ease and sit comfortably when at rest. The Stessl Warrior is well set up to handle all your storage needs by including side pockets and plenty of room under the casting decks as well as an aluminium anchor well on the foredeck. There are three models in the range - talk to your local dealership to discuss the size perfect for you.
