525 APACHE PRO TILLER

GREAT RIDE AND IS STABLE AT REST

Built to handle everything our tough Aussie conditions the Apache Pro range is jam packed with features designed to maximise your time on the water. This pure sport fishing machine has ultra high sides, a reverse chine hull and a wide beam and they come with casting decks fore and aft. Great in the rivers and bays and is a more than capable bluewater boat for scouring the inshore reefs. There is ample storage for all your tackle and equipment under the casting decks and in side pockets and they are fitted with a 100ltr live well and bait tank. Available in motor well and sleek fast back transom versions to give you peace of mind when fishing offshore the Apache has everything you need to get out on the water and numerous options available so you can customise it to suit your style of fishing. Talk to your local dealership today.
